

AP Deconstruction Guide

W⁶C

What is the Document?

When was the Document created?

Where was the document created?

Why was the document created? Look beyond the obvious!!!

Who created the document?

What historical information can we pull from the document?

Can the document be trusted?

Why or Why not? THIS IS POINT OF VIEW!!!

A + V + W = POV

Who is the Author?

(Not just a name: Who are they in society? What is their status?)

Is the information provided by the author valuable?

(Can we believe it based on who provided i.e. the author?)

Why is it valuable or why is it not?

Three easy POVs

Source 1: _____

Source 2: _____

Source 3: _____

Wow que est...
1 foot = 30.48 cm
30.48
x 2

60.96

How big was the fish?
